THE OUTGOING PRESIDENT'S SWANSONG

Randonnee Aventure is two years old this month and to celebrate in true RA style, we shall have our Annual General Party, sorry, I mean Annual General Meeting. This will be held at the Westmount Armoury on the 9th of April (8 pm). Apart from having a lot of fun, we will be electing four directors who will take on the responsibility for ensuring that RA reaches the age of three.

The past year has been a success for RA. We extended our repertoire to include more hikes and skiing trips but also introduced cycling and caving as club activities. The present membership is 178 but over the last year, more than 220 people have been members of RA.

For the coming season, the number of hikes has been increased yet further, to include some Sunday trips as this was requested by several members. In tandem, cycling was so successful last summer, that the number of day trips scheduled for this year has been doubled. In addition, the Victoria Day week-end is planned and for St. George's day, Cal Hindson is going to fearlessly lead (right behind our expert guide that is) the RA troglodytes into some more caves (watch out for those dragons, Cal, better include a beautiful damsel or two in the squad). Don't forget that RA trips are organized to cater for all capabilities from beginner to expert.

(Continued on page 2)

(From page 1)

With all this outdoor activity, you may be wondering what's next. Well, what about trail maintenance? Lots of people, just like us, use the hiking trails and with all those boots stomping around, the trails become worn. If trails are not maintained, they can fall into disrepair (in some cases, to the point of unusability). Since RA takes twice as many boots as it does people to the trails, we have joined the Green Mountain Club and have won the privilege to maintain a part of the Long Trail. This will be our patch, and we have every right to feel proud that our club (just 2 years old) is thought of in such high regard that we have been entrusted with a part of one of the best known trails in North America. Many thanks to Ken Fisher and Don Hackett for their efforts in obtaining this stretch for us, and to Don for organizing the Maintenance Classes. If you would like to join one of the Maintenance Week-Ends, just give us a call. It isn't hard work, we're not talking jungle here!

Fitness classes and volleyball will continue at the Westmount Armoury on Monday nights until the end of April. In May, we go alfresco under the guidance of Gerry Blanchard who is proposing to lead some exercises - Canadian Forces Style. (If he goes jogging, will somebody please follow him and make sure he gets back!).

On behalf of all the members, special thanks go to Diana McDougall for all her help over the past two years. Diana has been transferred by her company and will now be living in Manitoba. All our best wishes go with you. Many thanks are also due to Eve Gibeault who looked after Fitness and Volleyball, Randonnews and the club telephone, and to all the members who contributed to the organization and running of the club for the last twelve months. Your efforts are greatly appreciated by the members and especially by me, as you made my year as president an enjoyable and rewarding experience.

Hey! What's this... Oh no, it's the RA Coup D'Etat Committee.
Gotta go... Bye!

A WORD ABOUT THE ELECTION OF DIRECTORS

The constitution of Randonee Aventure includes the provision for 4 directors. The directors for the year 1987-88 were Monika Malecka, Vera Tobis, Don Hackett and Gerry Cooke. At the forthcoming Annual General Meeting on the 9th of April, the members will elect the directors for the coming year. The directors must ensure that the club is run in a responsible fashion. They approve all major expenditures and hold the legal and financial responsibilities for all club events. It is, therefore, their duty to ensure that the club does not operate illegally and that the finances are kept in order.

Of course, the directors do not run the club, that is done by the members through the executive officers and the committees. The members of the executive do not have the same responsibilities and liabilities as the directors, but they are just as important. In the two years since RA began, the executive roster has been through several metamorphoses. This is encouraging and necessary. Encouraging, because it demonstrates a willingness to keep RA a successful club, necessary, because several executive members have left Montreal, or for personal reasons, have reduced their involvement with the club. These changes in the executive are important for the development of the club, particularly with respect to the introduction of new ventures and projects. Consequently, RA has a continual requirement for members who wish to play a more active role in the club.

You do not need to be elected in order to join a committee or hold an executive position. Only the directors need to be elected and it is their duty to make sure that the executive and their committees function to the best of their abilities.

So far, we have four members who have expressed a willingness to serve as director for 1988-89. The directors elected at the AGM will work with the executive to organise the club events.

RANDONNEE AVENTURE 1988 HIKING SEASON

HIKE	DATE	LOCATION
<input type="checkbox"/>	1 May 14	<u>Sutton, Que.</u> Early season special -- easy to intermediate trails. Discover a corner of your province that you never knew about.
<input type="checkbox"/>	2 May 29 (Sun)	<u>Cascade, Porter, Pitchoff, NY.</u> An old favorite. Good views from Balanced Rock on Pitchoff (easy hike). Cascade provides a challenge for strong hikers -- 8 miles, 2000 ft. ascent, 3750 descent!
<input type="checkbox"/>	3 June 4	<u>Tillotson, Belvidere, VT.</u> Hike RA's own stretch of the Long Trail. Views from the Belvidere fire tower, easy hikes on the Frank Post Trail, visit Tillotson Camp.
<input type="checkbox"/>	4 June 11	<u>Dial, Nippletop, Noonmark, NY.</u> Lots of choices here. Spectacular views from Noonmark (5 miles), and a long hike for the avid. See why it's called Nippletop... Easy trails on Rooster Comb.
<input type="checkbox"/>	5 June 19 (Sun)	<u>Mansfield via Sunset Ridge, VT.</u> Vermont's classic mountain. Climb open ridge to lots of side trails such as Subway, Wall Street, and Canyon. Something for everybody here.
<input type="checkbox"/>	6 July 16	<u>Jay Peak, VT.</u> Hike & Swim. Take the tram up and hike down, or work up a sweat and then swim. Long hike available, too.
<input type="checkbox"/>	7 Aug 27	<u>Mt. Hunger, VT.</u> Our first visit to the Worcester Range. Hunger is 3650 ft., with views of Stowe, Mansfield, Pisgah, and the Whites. This is blueberry country-- and season.
<input type="checkbox"/>	8 Sept 10	<u>Adirondak Loj, NY.</u> Marcy, Colden, Algonquin, Wright, Indian Pass, Mt. Jo, and more. Extended hike (later return) for more choices.
<input type="checkbox"/>	9 Sept 18 (Sun)	<u>Mattawinnie, Sept Chutes, Que.</u> See Quebec fall foliage in a unique setting. Long but easy hike. Sept Chutes has interesting wooden stairs and waterfalls.
<input type="checkbox"/>	10 Sept 24	<u>Whiteface, Cooper Kill, NY.</u> Hike the <u>big</u> one -- 4850 ft., 11 miles, and look down on Lake Placid, or take it easy and visit Cooper Kill Pond decked in fall colors.
<input type="checkbox"/>	11 Oct 1	<u>Hopkins, Spread Eagle, Giant, NY.</u> See Keene Valley from a new viewpoint from Hopkins and Spread Eagle (easy to intermediate) or include Giant for a real hiker's hike.
<input type="checkbox"/>	12 Oct 15	<u>Larraway, Prospect Rock, VT.</u> A new favorite. Ramble through scenic woods and see why Prospect Rock got its name.
<input type="checkbox"/>	13 Oct 22	<u>Hurricane, NY.</u> The traditional end of season hike returns to the schedule. Rocky summit, freezing winds.

LONG TRAIL MAINTENANCE PROJECT

Randonnee Aventure has signed an agreement with the Green Mountain Club to take over responsibility for maintaining the "Montreal section" of the Long Trail (Hazen's Notch to Route 118) from the now-defunct Montreal Chapter of the GMC. This scenic and rugged section includes 10.5 miles of the Long Trail, over Tillotson Peak (3040 ft.) and Belvidere Mountain (3360 ft.), the Frank Post trail (2 miles) and the Forester's trail (2.5), as well as Tillotson Camp, at the junction of the Frank Post trail and the Long Trail. Maintenance duties include a spring walkthrough, weed cutting and brushing, painting of blazes, and the building and repair of water bars (erosion control devices). The GMC is offering us help and support in all aspects of this project, including workshops on trail maintenance. The first trail maintenance workshop of the season is scheduled for May 21 through 23 (Victoria Weekend). At this time we will walk through the Long Trail section to locate problem areas and asses the work to be done throughout the season. This is our chance to put something back into the trail system we all know, love, and use. We're looking for volunteers to learn trail craft, gain experience in the outdoors, and develop a few new muscles, to boot! Call the club number or Don Hackett (487-3615) to volunteer.

We are looking forward to working closely with Randonnee Aventure, our Canadian friends of the outdoors and new Trail Adopters of the Long Trail System between Rt. 118 and Hazen's Notch. The St. Albans Section plans to host a trail maintenance workshop for Randonnee members in 1988 (Look for the schedule in the May issue of *The Long Trail News*). Come on out and help this enthusiastic new group get off to what we hope will be many fine years of Long Trail maintenance.
